Bloomberg Law Features Lathrop GPM's Combination with Hopkins Carley

08/21/2024 | less than a minute

Bloomberg Law shared the firm's announcement of our combination with Silicon Valley-based firm Hopkins Carley, shared today in a press release. The combination will take effect on October 1 and will bring 62 legal professionals, increasing the firm's headcount by 25% to 360 legal professionals.

The combination adds to the growing volume of US law firm combinations executed this year. The firm aims to expand its reach in private client services, real estate and intellectual property. Its name will remain intact through the combination.
