### Clients call Brad Barz for his experienced guidance on complicated and difficult corporate legal issues.

Brad primarily advises companies on legal matters companies face from time to time; and advises companies on business sales, purchases, and mergers. Brad utilizes his business and legal experience in these areas and strategizes with companies to achieve the best possible results for clients.

Brad gained business experience in the retail, construction, and agriculture industries before acquiring his graduate business degree and law degree. This experience helps him understand the business issues clients face.

In his free time, Brad enjoys spending time with his wife and three sons. He also enjoys being involved with and supporting community philanthropic groups and projects. Brad and his wife are the founders of the Miracle League of Central Minnesota.
