fiona.madden@lathropgpm.com

Fiona Madden is an associate supporting clients primarily within the firm's Insurance & Environmental Tort practice group. Fiona joined the firm after working as a summer associate in 2023, where she assisted attorneys on a myriad of litigation matters, conducted legal research and drafted legal memos.

Fiona earned her J.D. from the University of Missouri-Kansas City School of Law. While in law school, Fiona honed her legal skills through a variety of internships and positions at prominent law firms, plus a judicial internship for the Honorable Alok Ahuja of the Missouri Court of Appeals for the Western District of Missouri.

Beyond her legal practice, Fiona has a rich background in international studies and has lived and worked in both Costa Rica and Spain. This global perspective has shaped her understanding of cultural diversity and human rights. Her experience as an admissions officer at Terra Education and her volunteer work in refugee resettlement further highlight her commitment to social justice and her ability to work effectively in cross-cultural environments.
